

**Barbara Ungar**

**Call Me Eve**

at the end  
as in beginning  
after naming the animals

we banish ourselves  
from the garden  
so many names

so many tongues  
all of them  
meaning

meaning  
all of them  
so many tongues

so many names  
from the garden  
we banish ourselves

after naming the animals  
as in beginning  
at the end
